Each Owner shall, at its own expense, maintain the drainage ways and channels on its Lot in proper condition free from obstruction.
- v. The Association shall have the right, after ten (10) days' notice to an Owner, except in the case of emergency (in which case the Association shall have an immediate right of access), to repair or otherwise maintain the drainage way or channel on said Owner's Lot, which the Association, determines has not been maintained by the Owner in compliance with this provision. All costs and expenses, including, but not limited to, reasonable attorneys' fees and costs incurred by the Association, shall be borne by the Owner, and shall be paid to the Association upon demand, plus interest at an annual rate of twelve percent (12%) from ten (10) days after said demand until paid in full. Any sum not paid by an Owner may be treated as an assessment, subject to lien, and collected in like manner as Assessments levied pursuant to this Declaration.
- vi. All owners grant and convey perpetual, non-exclusive, mutual cross retention and drainage easement for purposes of storm water retention and drainage on, over, upon, under, through, and across the lots and the common areas and the maintenance thereof. Locations of storm water retention areas, lines, basins, grates, drains, pipes, and other drainage control tools are located in the project documents.
- vii. For the purpose of this clause, "drainage" means the drainage that exists at the time the overall grading of the Lots, rights-of-way, and Common Area(s) were

completed by the Declarant or any Builder in accordance with the Improvement Plans and/or the Development Plan.

BY ACCEPTING CONVEYANCE OF A LOT LOCATED ADJACENT TO OR DOWNSTREAM OF A DRAINAGE CHANNEL, RETENTION BASIN AND/OR ANY FLOOD RETARDING STRUCTURE, THE OWNER OF SUCH LOT HEREBY ACKNOWLEDGES THAT SUCH LOT IS LOCATED WITHIN THE POTENTIAL INUNDATION AREA FOR EMERGENCY DISCHARGE OF FLOOD WATERS AND HEREBY RELEASES AND DISCHARGES THE DECLARANT, THE ASSOCIATION, AND NEWTOWN CDC FROM ANY AND ALL CLAIMS RELATED TO FLOOD WATERS.

- ii. The covenants, conditions and restrictions set forth in this Declaration and the provisions requiring Owners and other persons to obtain the approval of the Board or any Committee with respect to certain actions are independent of the obligation of the Owners and other persons to comply with all applicable laws, ordinances and regulations, and compliance with this Declarations shall not relieve an Owner or any other person from the obligation to also comply with all applicable laws, ordinances and regulations.

The Association shall have all of the common law and statutory powers conferred upon nonprofit corporations under Arizona law and all powers necessary or desirable: (a) to perform the Association's duties and obligations under the Project Documents or imposed by law; (b) to exercise the rights and powers of the Association set forth in the Project Documents; and (c) to foster and promote the common good and general welfare of the Project, the Owners and Residents, and the surrounding community. The Association may exercise any right or privilege given to the Association expressly in the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.
- B. **Board of Directors and Officers; Management.** The affairs of the Association shall be conducted by the Board elected in accordance with this Declaration and the Articles and Bylaws, and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws as the same may be amended from time to time. During the Declarant Control Period, the Directors of the Association shall be appointed by and may be removed solely by Declarant. After the Declarant Control Period, or at such earlier time as Declarant relinquishes its rights to appoint the Board, Directors shall be elected by the Members in accordance with the Bylaws which Bylaws shall provide for a Board of five (5) Directors. The Board may also appoint various committees and may appoint a manager who shall, subject to the direction of the Board, be responsible for the day-to-day operation of the Association. The Board shall determine the compensation to be paid to the manager or any other employee of the Association.

- C. **Role of Association.** The role of the Association includes, but is not limited to, the following functions:
- i. The operation and maintenance of all Areas of Association Responsibility;
 - ii. Appointment of individuals to serve on the various committees pursuant to the provisions of Section 7(E); and
 - iii. In the exercise of the Board's sole discretion, the enforcement of the Covenants contained in this Declaration.
- D. **Association Rules.** By a vote of the Board, the Association may, from time to time and subject to the provisions of this Declaration, adopt, amend, and repeal rules and regulations, which shall apply to, restrict, and govern, the use of any Common Areas and the Lots by any Member or Resident, provided, however, that the Rules shall not be inconsistent with this Declaration, the Articles, or Bylaws of the Association. Upon adoption, the Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration.
- E. **Grounds and Garden Committee.** The Grounds and Garden Committee shall consist of no less than three regular members, each of which shall be a Member in Good Standing appointed by the board. In the event the Board does not appoint a Grounds and Garden Committee, the Board shall exercise the authority and responsibilities of the Committee. The Grounds and Garden Committee shall be in charge of the maintenance and upkeep of the landscape and gardens of Tempe Micro Estates, development and update of policies and procedures for the grounds and garden, and scheduling work parties to maintain the property.
- F. **Personal Liability.** No member the Board or of any committee of the Association, no officer of the Association, no Declarant, no builder, and no manager or other employee of the Association shall be personally liable to any Member, or to any other Person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, the manager, any representative or employee of the Association or any committee, committee member, or officer of the Association. The Board may enforce any such Rules as shall be properly adopted by imposing fines according to policies for such fines as may also be adopted by the Board.

8. Membership and Voting

- A. **Membership.** Each Owner of a Dwelling Unit shall automatically be a Member of the Association. Each such Membership shall be appurtenant to and may not be separated from ownership of the Dwelling Unit to which the Membership is attributable, and joint ownership or ownership of undivided interests in any real property which establishes a

Membership shall not cause there to be more Memberships than the number established for purposes of this Section 8.A. Each Member shall have one (1) Membership for each Dwelling Unit owned by such Owner within the Project as shown on any Plat.

- B. Right to Vote; Declarant's Retention of Class B Voting Rights.** No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided with satisfactory proof thereof. The vote for each such Membership must be cast as a unit and fractional votes shall not be allowed. If a Membership is owned by more than one Person or entity and such Owners are unable to agree amongst themselves as to how their vote or votes shall be cast, they shall lose the right to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that such Member was acting with the authority and consent of all other owners of the same Membership unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast for a particular Membership, none of said votes shall be counted and all said votes shall be deemed void. The Association shall have two (2) classes of voting Members, as follows:
- i. **Class A.** Class A Members shall be all Owners except Declarant. A Class A Member shall have one (1) vote for each Dwelling Unit owned by such Member; and
 - ii. **Class B.** Class B Members shall be the Declarant. The Class B Member shall have three (3) votes for each Dwelling Unit owned. The Class B Memberships shall automatically cease and be converted to Class A Memberships upon the happening of the first to occur of the following:
 - a. The date upon which Declarant no longer owns any improvements on any of the lots of the Project, or
 - b. The date that twenty (20) years after the date this Declaration is recorded.
- C. Newtown CDC right to veto any action by the Association.** Newtown CDC, while it retains underlying ownership of the land as steward, reserves the right to veto any and all actions by the membership, Association, or board. In the event that Newtown CDC vetoes an action, that action shall be deemed to be null and void. The waiver or failure of Newtown CDC to veto any action does not imply its approval or disapproval of that action only that it chooses not to veto that action at that time.

9. COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

- A. **Creation of Lien and Person Obligation of Assessments.** Each Owner, by becoming the Owner on an Assessable Lot, is deemed to covenant and agree to pay to the Association all Assessments, Collection Costs, and all other fees and costs which may become payable by the Owner to the Association under the Project Documents. All Assessments shall be established and collected as provided in this Declaration. Assessments hereunder shall commence only upon a Lot becoming an Assessable Lot as provided herein. Each Assessment, together with all interest thereon, shall also be the personal obligation of the Person who was the Owner of the Dwelling Unit at the time when the Assessment became due. No Owner shall be relieved of the obligation to pay any of the Assessments by abandoning or not using his, her or its Dwelling Unit or the Common Areas, or by leasing or otherwise transferring occupancy rights with respect to his, her or its Dwelling Unit. However, upon transfer by an Owner of fee title to such Owner's Dwelling Unit and Recording of a deed effecting transfer, such transferring Owner shall not be liable for any Assessments thereafter levied against such Dwelling Unit. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of the alleged failure of the Association, the Board, Newtown CDC, or any Committee to take some action or perform some function required to be taken or performed under the Project Documents.
- B. **Regular Assessments.** The Members shall adopt a budget of the estimated Association Expenses for each fiscal year, including any contribution to be made to a reserve fund, which budget shall serve as the basis for determining the Regular Assessments for the applicable fiscal year. The Regular Assessment shall be levied at a uniform amount for each Assessable Lot. Within a reasonable period prior to the meeting of the Association at which Members adopt the budget for the year in question, the Board shall deliver or mail to each Owner a copy of the proposed budget and a statement of the amount of Regular Assessments to be levied against such Owner's Lot for that year. The Regular Assessment and Budget must be approved by a majority of the votes of a quorum of the Members who are voting in person, or by absentee ballot, at a meeting of the association duly called for such purpose where quorum is present.

In the event the Members fails to adopt a budget for any fiscal year prior to commencement of such fiscal year, then until and unless such budget is adopted, the budget (and the amount of the assessments provided for therein) for the year immediately preceding shall remain in effect. Neither the budget nor any Regular Assessment levied pursuant thereto shall be required to be approved by the Owners.

If the Board determines that the funds budgeted for the fiscal year are, or will, become inadequate to meet all Association expenses for any reason, including, without limitation, nonpayment of the Regular Assessment, the Board may propose to the members to amend the budget and increase the Regular Assessment for that fiscal year and the revised Regular Assessment shall commence on the date designated by the Board.

- C. **Special Assessments.** With the advice and consent of Newtown CDC, the Association may levy against each Assessable Lot a Special Assessment for any proper Association purpose, provided, however, that, such Special Assessment must be approved by at least two-thirds (2/3rds) of the votes of a quorum of the Members who are voting in Person or by absentee ballot at a meeting of the Association duly called for such purpose where quorum is present.
- D. **Enforcement Assessment.** The Association may impose against an Owner as an Enforcement Assessment any of the following: (a) Collection Costs incurred by the Association in attempting to collect assessments or other amounts payable to the Association by the Owner; (b) costs (including attorneys' fees) incurred in bringing the Dwelling Unit into compliance with terms of the Project Documents; and (c) costs (including attorneys' fees) incurred as a consequence of the conduct of the Owner or Resident of the Dwelling Unit, including their families, invitees and guests. The Enforcement Assessment shall be automatically imposed against an Owner at such time as the Collection Cost or other amounts are incurred by the Association.
- E. **Due Dates.** Assessments for each fiscal year shall be due and payable as determined by the Board. Assessments shall be deemed "paid" when actually received by the Association or by its designated manager or agent (but if any Assessments are paid by check and the bank or other institution upon which such check is drawn thereafter dishonors and refuses to pay such check, those Assessments shall not be deemed "paid" and shall remain due and payable with interest accruing from the date such Assessments were originally due).
- F. **Maximum Annual Assessment.** The Regular Assessments shall not at any time exceed the "Maximum Annual Assessment." Unless a greater Maximum Annual Assessment is approved by majority of all Members of the Association, the Maximum Annual Assessment for any fiscal year shall be equal to the Regular Assessment levied in the immediately preceding fiscal year increased by ten percent (10%). Increases in Regular Assessments shall be subject to any limitations imposed by the applicable Arizona law.
- G. **Effect of Nonpayment of Assessments; Remedies of Association.** The Association shall have a lien on each Lot for: (a) all Assessments levied against the Lot owners, and (b) any other amounts payable to the Association pursuant to the Project Documents, subject to A.R.S. § 33-1807, as amended from time to time.

Such lien shall be prior and superior to all other liens affecting the Lot in question, except (a) taxes, bonds, assessments and other levies which, by law, are superior thereto, and (b) the lien or charge of any First Mortgage made in good faith and for value. Such liens may be foreclosed in the manner provided by law for the foreclosure of mortgages. The sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of the Assessments as to payments

which became due prior to such sale or transfer, but shall not relieve such Lot from liability for any Assessments becoming due after such sale or transfer, or from the lien thereof. Recording of this Declaration constitutes record notice and perfection of the liens established hereby, and further Recordation of any claim of a lien for Assessments or other amounts hereunder shall not be required, whether to establish or perfect such lien or to fix the priority thereof, or otherwise (although the Board shall have the option to Record written notices of claims of lien in such circumstances as the Board may deem appropriate).

The Board may invoke any or all of the sanctions provided for herein or in this Declaration, or any other reasonable sanction, to compel payment of any Assessment (or installment thereof), or any other amount payable to the Association under the Project Documents, which is not paid when due (a "Delinquent Amount"). Such sanctions include, but are not limited to, the following:

- (a) Interest and Late Fees. The Board may impose late fees for payment of any Delinquent Amount that is not made within fifteen (15) days of the due date, and interest in such amounts as it determines are appropriate from time to time, subject to any limitations stated herein or imposed by law which such amounts shall be secured by the aforementioned liens;
- (b) Suspension of Rights. The Board may suspend for the entire period during which a Delinquent Amount remains unpaid the obligated Owner's voting rights, rights to use and enjoy the Common Areas, and other Membership rights as provided herein, in accordance with the procedures that conform to Arizona law;
- (c) Collection of Delinquent Amount. The Board may institute an action at law for a money judgment or any other proceeding to recover the Delinquent Amount to the fullest extent permitted by law;
- (d) Recording of a lien. Subject to applicable law, the Board may record a notice of lien covering the Delinquent Amount plus interest and accrued collection costs as provided in this Declaration. The Board may establish a fixed fee to reimburse the Association or its representative for the cost of recording the notice, processing the delinquency, and recording a notice of satisfaction of the lien; and
- (e) Foreclosure of Lien. The Board may foreclose the Recorded lien against the Lot in accordance with then prevailing Arizona law relating to the foreclosure of realty mortgages (including the right to recover any deficiency).

It shall be the duty of every Owner to pay all Assessments and any other amount payable with respect to the Owner's Dwelling Unit in the manner provided herein. Such

Assessments and other amounts, together with interest and costs of collection as provided for herein and in this Declaration, shall, until paid, be a charge and continuing servitude and lien upon the Dwelling Unit against which such Assessments and other amounts are made, provided, however, that such lien shall be subordinate to only those matters identified in this Declaration. The Association and the Board shall have the authority to exercise and enforce any and all rights and remedies provided for in this Declaration or the Bylaws, or otherwise available at law or in equity for the collection of all unpaid Assessments or other amounts payable to the Association, interest thereon, costs of collection thereof and reasonable collection agency fees and attorneys' fees.

The Association shall be entitled to maintain suit to recover a money judgment for unpaid Assessments and other amounts payable to the Association without a foreclosure of the lien for such Assessments, and the same shall not constitute a waiver of the lien for such Assessments or such other amounts payable to the Association.

- H. **Effect of Nonpayment of Assessments; Remedies of Newtown CDC.** In the event any assessment or fines go unpaid to the Association, Newtown CDC reserves the right to place a lien on the property in question.

The lien shall be enforceable in the manner of Mechanics' and Materialmens' Liens, Section 33-1807, Arizona Revised Statutes.

- I. **Reserves.** The Board shall establish reserves for the future periodic maintenance, repair, or replacement of the major components of the Areas of the Association Responsibility. The reserves may be funded from Regular Assessments, the Reserve Contribution Fee paid pursuant to Section 8.14 or any other revenue of the Association. All amounts designated as reserves shall be deposited by the Board of Directors in a separate bank account (the "Reserve Account") held by Newtown CDC for the purposes for which they are collected and are to be segregated from and not commingled with any other funds of the Association.

To assist the Board in determining the appropriate amount of reserves, the Board shall obtain a reserve study at least once every five years, which study shall at a minimum include (a) identification of the major components of the Project which the Association is obligated to repair, replace, restore, or maintain which, as of the date of the study, have a remaining useful life of less than thirty (30) years; (b) identification of the probable remaining useful life of the identified major components as of the date of the study; (c) an estimate of the cost of repair, replacement, restoration, or maintenance of the identified major components during and at the end of their useful life; (d) an estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain the identified major components during and at the end of their useful life, after subtracting total reserve funds as of the date of the study.

- J. **Reserve Contribution Fee.** To assist the Association in establishing adequate reserve funds to meet its capital expenses, each Person (other than the Declarant or Newtown

CDC when exercising their right of first refusal) who purchases or obtains a Lot or Unit shall pay to the Association a sum not to exceed one-fourth (1/4th) of the then current Annual Regular Assessment for such Lot or Unit (the "Reserve Contribution Fee"). The Reserve Contribution Fee shall not, when combined with other similar fees, exceed the amounts allowed by law for such fees. Such payment shall become due at the close of escrow or immediately upon the transfer of title to the Lot or Unit, whichever occurs first, and shall be required upon each transfer of title to each Lot or Unit. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any other Assessments levied by the Association pursuant to this Declaration. The Board shall have the right, by an affirmative vote of the majority of the members of the Board, and based upon the Board's analysis of replacement and repair reserves to permanently or temporarily cease to assess the Reserve Contribution Fee, and having ceased to assess the Reserve Contribution Fee, the Board shall have the right to reinstate the assessment of such fee at any time thereafter, it being the intent that the Board shall have the right to begin or cease assessment of the Reserve Contribution Fee as the Board deems appropriate from time to time.

- K. **Administrative Fee.** Each Person, other than Declarant or Newtown CDC when exercising their right of first refusal, who purchases or obtains a Lot or Unit from a Person shall pay to the Association, or the Association's managing agent, a transfer fee in such amount as is established from time to time by a written resolution of the Board. The transfer fee shall become due at the close of escrow or immediately upon the transfer of the Lot or Unit, whichever occurs first, and shall be required upon each transfer of title to each Lot or Unit. The transfer fee shall be used exclusively to cover administrative costs related to the transfer and shall not, when combined with other similar fees, exceed the amounts allowed by law for such fees.

10. USE OF FUNDS; BORROWING POWER

- A. **Purposes for which Association's Funds May Be Used.** The Association shall apply all funds and property collected and received by it (including, without limitations, the Regular Assessments, Reduced Assessments, Special Assessments and Deficiency Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision, and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Members and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: maintenance of landscaping on Common Areas and public right-of-way and drainage areas within or serving the Project, maintaining the Areas of Association Responsibility as provided in this Declaration, obtaining property and liability insurance,

supplying utilities and other public services, providing for communication and transportation within and dissemination of information concerning the Project, obtaining legal and accounting services for the Association, indemnification of officers and directors of the Association, and generally protecting the health and safety of the Members and the Residents. The Association may also expend its funds for any purposes which any municipality may expend its funds under the laws of the State of Arizona or such municipality's charter.

- B. **Borrowing Power.** The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such period of time as is necessary or appropriate, provided, however, that no portion of the Common Areas shall be mortgaged or otherwise encumbered, nor shall the Association pledge future Assessments as collateral for a loan, without the approval of Newtown CDC and at least two-thirds (2/3) of the Members who are voting on the matter at a duly called meeting, and the Declarant (so long as Declarant owns any portion of the Project). Notwithstanding anything contained in the foregoing to the contrary, if ingress and egress to any Owner's Lot is over or through any Common Areas which will be mortgaged or otherwise encumbered as provided in the foregoing, any such mortgage or encumbrance shall be subject to such Owner's right and easement for ingress and egress.
- C. **Association's Rights in Spending Funds From Year to Year.** The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Assessments, fees, or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Regular Assessments in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

11. INSURANCE

- A. **Scope of Coverage.** The Association shall maintain, to the extent reasonably available, the following insurance coverage:
- i. Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration;
 - ii. Project insurance on all Areas of Association Responsibility insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Areas of Association Responsibility, as

determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive land, excavations, foundations, and other items normally excluded from a property policy;

The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions:

- a. Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners.
 - b. That there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their household;
 - c. No act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery on the policy;
 - d. That the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust;
 - e. A "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or the Owners; and
 - f. Statement of the name of the insured as the Association
- B. Insurance Obtained by Owners.** Each Owner shall be responsible for obtaining property insurance for his or her own benefit and at his or her own expense covering the Owner's Lot and all Improvements and personal property located thereon. Each Owner shall also be responsible for obtaining at his or her expense personal liability coverage for death, bodily injury or property damage arising out of the use, ownership or maintenance of the Owner's Lot and all improvements and personal property located thereon.
- C. Repair and Replacement of Damaged or Destroyed Property.** Any portions of the Area of Association Responsibility required by any governmental entity to be maintained by the Association which is damaged or destroyed shall be repaired or replaced promptly by the Association in accordance with the restrictions and requirements of such governmental entity. Any Area of Association Responsibility which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) repair or replacement would be illegal under any state or local health or safety statute or ordinance, (ii) Members representing at least eighty percent (80%) of the total authorized votes in the Association vote not to rebuild, or (iii) the cost of repair or replacement is in excess of insurance proceeds and reserves and the Members do not approve a Special Assessment to fund the additional cost of repair or replacement. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged area shall be used to restore the damaged area to

a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (i) be retained by the Association as an additional capital reserve, or (ii) be used for payment of operating expenses of the Association.

- D. **Assessment of Certain Costs of Maintenance and Repair of Areas of Association Responsibility.** In the event that the need for maintenance or repair of Common Areas and other areas maintained by the Association is caused through the act of any Owner or Resident, or any family, guest, tenant, or invitee of any Owner or Resident, the Association shall perform the needed maintenance or repairs and the cost of such maintenance or repairs shall be due within thirty (30) days of notice and shall be added to, and become a part of, the Assessment to which such Owner and the Owner's Lot is subject, and shall be secured by the Assessment Lien. Notwithstanding the foregoing, prior to submitting a bill for such costs, the Board shall cause a notice to be sent to Owner specifying the maintenance or repairs and Owner shall have the right to object to his responsibility. Following the Board's consideration of such objection, the Board may absolve Owner or demand that Owner pay the bill within the thirty (30) day period provided above. The decision of the board shall be final and binding.
- E. **Improper Maintenance and Use of Lots.** In the event any portion of any Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Lot is being used in a manner which violates this Declaration, or in the event the Owner of any Lot or Unit is failing to perform any of its obligations under this Declaration or the Association Rules, the Association may give notice to the offending Owner of the particular condition or conditions that exist and inform the Owner that, unless corrective action is taken within thirty (30) days, the Association may cause such action to be taken at said Owner's cost. If at the expiration of said thirty (30) day period of time the requisite corrective action has not been taken, the Association shall be authorized and empowered to cause such action to be taken (either by undertaking such corrective actions or bringing suit to compel the offending Owner to undertake such corrective action) and the cost thereof, together with any attorney's fees expended by the Association in connection therewith, shall be added to, and become a part of, the Assessment to which the offending Owner and the Owner's Lot is subject, if any, and shall be secured by the Assessment Lien. The Association is hereby granted an easement to enter the Lot to perform such corrective action and, to the extent the Association or its agents or contractors enters the Owner's Lot to perform such corrective action, they shall not be deemed guilty of trespass. The Board may delegate any of its rights and responsibilities under this Section to a Committee appointed by the Board, or to its managing agent.

12. AMENDMENTS / CHANGES TO THE CC&Rs

- A. Changes to the CC&Rs are very important and require the written approval of Newtown CDC and careful consideration by all Homeowners.
- B. Until termination of the Declarant Control Period, Declarant may amend this Declaration for any purpose, and without the consent or approval of any Owners or Members, or any other Person. In addition to the foregoing, after termination of the Declarant Control Period, Declarant may of its own volition, and without the consent or approval of any Owners or Members, or any other Person, amend this Declaration for the following purposes: (a) to bring any provision hereof into compliance with applicable law; (b) to satisfy the requirements of any governmental agency pertaining to lending criteria, or established as conditions for acceptability or approval of mortgages, mortgage insurance, loan guarantees or other factors; or (c) to correct any error or ambiguity, or to further the intent or purposes hereof by expanding upon the existing provisions hereof. Any amendment during such time as Declarant owns any portion of the Project shall require the written approval of Declarant.
- C. No further covenants, conditions, restrictions or easements ("Supplemental Declaration") shall be Recorded by any Owner, Resident, or other Person against any Lot without the provisions thereof having been first approved at a meeting where a quorum is present, by the approval of Members holding at least two-thirds of the votes in the association who are voting on the matter, and in writing by Newtown CDC. Any Supplemental Declaration which is Recorded without such approval being evidenced thereon shall be null and void, provided, however, that, without prior approval of the Board, the Declarant shall have the right to record a Supplemental Declaration against any portion of the Project owned by Declarant either prior to or simultaneously with the conveyance of any such portion of the Project to an Owner. Notwithstanding anything contained in this Declaration to the contrary, none of the restrictions contained in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant, its employees, agents and subcontractors, or parties designated by it in connection with the construction, completion, sale or leasing of Lots, Common Areas, or any other portion of the Project.
- D. A Homeowner who wishes to request a change to the CC&Rs shall submit a written proposal to the Facilitator of the Board of Directors ("Facilitator").
- E. The Facilitator shall mail, email or hand-deliver the written proposal to all Homeowners and announce the date, time and location of an initial meeting to discuss the proposal. The meeting will be held within 30 days of the Facilitator's receipt of the proposal.
- F. At the meeting, the proposal shall be discussed and considered or adoption or rejection. The Facilitator will facilitate the meeting and the Secretary of the Board of Directors will take minutes.

- G. A second meeting, scheduled by the Facilitator, shall be held within 30 days of the initial meeting. During the meeting, the proposal may be formally adopted or rejected by a two-thirds (2/3) majority of the Members who are voting on the matter in an action without a meeting or at a meeting of the Association where a quorum is present.
- H. If the proposal is approved by Newtown CDC and a two-thirds (2/3) majority of the Members, the amended CC&Rs will be recorded by the Maricopa County Recorder's office.

13. EXCEPTIONS TO THE CC&Rs

- A. In an emergency, the Facilitator of the Board of Directors ("Facilitator") may grant temporary approval of the exception until the Association meeting is convened. The temporary approval period shall be no longer than four weeks.

14. ENFORCEMENT OF THE CC&Rs AND CONFLICT RESOLUTION

- A. Conflict exists in communities and is a normal part of community life. In addition, part of living in a community must include a commitment to continuing to participate in the Association during conflicts. With that in mind, Residents are encouraged to resolve disputes with their neighbors in good faith with respectful and direct communication.
 - i. Homeowners understand that any continuing, unresolved disagreement about compliance with the CC&Rs can detrimentally affect other Residents. In the event of a dispute, the following steps will be taken:
 - ii. The affected Homeowners will make reasonable attempts to resolve their differences amicably amongst themselves. No individual Homeowner, however, may grant exemption from the CC&Rs to any other Homeowner in lieu of the process outlined above. Homeowners are encouraged to communicate directly and respectfully with each other, either verbally or in writing, and to refrain from drawing other, uninvolved persons into the dispute.
 - iii. If the affected Homeowners are not able to resolve their differences amongst themselves, then the Board of Directors will try to assist. Depending upon the nature of the dispute, the Board of Directors may initiate a mediation process and select two members of the Board of Directors to serve as mediators.
 - iv. Alternatively, the Board of Directors may call a special meeting in accordance with the Association Bylaws. At the Special meeting, Homeowners will discuss the dispute and through two-thirds (2/3) approval, determine whether and how the dispute can be resolved.

- v. The Board of Directors will discuss the dispute, decide upon the appropriate resolution and enforce compliance with the CC&Rs as necessary. If the Board of Directors determines that a Homeowner is out of compliance with the CC&Rs, the Secretary of the Board of Directors ("Secretary") will draft a notice to the Homeowner for delivery by the Facilitator of the Board of Directors ("Facilitator"). The notice shall clearly state the background, analysis and rationale for the Board of Directors' decision, and the corrective actions, including timelines, to be taken by the Homeowner who is out of compliance. The notice shall further state the consequences for failure to comply, including possible fines. The Facilitator will deliver the notice to the Homeowner via Certified Mail, Return Receipt.
- vi. If the Homeowner continues to be out of compliance beyond the stated timeline, the Facilitator will issue a second notice. The second notice will include a fine of \$50.00 and will be delivered via Certified Mail, Return Receipt.
- vii. If the Homeowner continues to be out of compliance 30 days after the second notice, the Facilitator will issue a third notice. The third notice will include a fine of \$250.00 and will be delivered via Certified Mail, Return Receipt.
- viii. If the Homeowner continues to be out of compliance 30 days after the third notice, the Facilitator will issue a fourth notice. The fourth notice will include a fine of \$500.00 and will be delivered via Certified Mail, Return Receipt.
- ix. All fines are due within 30 days of written notice.
- x. Payment for fines will be deposited into the Tempe Micro Estates Operating Fund.
- xi. Copies of all notices shall be provided to Newtown CDC, which will, in cases of continuing non-compliance and non-payment, add the amount of the fines to the Homeowner's Lease Fee.
- xii. In the event the fines go unpaid, Newtown CDC reserves the right to place a lien on the property in question in accordance with the Newtown Ground Lease.

The lien shall be enforceable in the manner of Mechanics' and Materialmens' Liens, Section 33-1807, Arizona Revised Statutes.
- xiii. If the above process fails to resolve the dispute and/or does not result in satisfactory compliance with the CC&Rs, then the Board of Directors may bring the matter to Newtown CDC or pursue arbitration. Arbitration shall occur in accordance with the rules for commercial arbitration of the American Arbitration Association (or a similar organization) in effect at the time such

arbitration is initiated. The arbitrator(s), selected pursuant to such agreed upon rules, shall apply to the issues presented, to the extent not pre-empted by federal law, the laws of the State of Arizona with regard to its conflicts of law provisions.

- xiv. The decision and award of the arbitrator(s), including determination of amount of any damages suffered, shall be conclusive, final and binding on such arbitrating parties, their respective heirs, legal representatives, successors and assigns and not subject to appeal except as provided under the laws of the State of Arizona relating to appeals of arbitration awards. The award and any judgment upon the award rendered by the arbitrator(s) may include an award to the prevailing party for arbitrator's fees and reasonable attorneys' fees, fees for expert testimony, and for all other expenses of presenting its case, confirming the award, and any costs or reasonable attorneys' fees incurred in any appeal. In the worst case, non-compliance may result in a lien on the property or revocation of the Ground Lease.
- xv. If a member of the Board of Directors become aware of a situation that potentially involves non-compliance with the CC&Rs, either through direct observation or a report from a Homeowner, the member will take the following steps.
 - a. The Board of Directors will investigate the situation.
 - b. If the Board of Directors find no evidence of non-compliance, they discuss their findings with the Homeowner who made the report.
 - c. If the Board of Directors determines that a Resident is out of compliance with the CC&Rs, they will discuss their findings with the responsible Homeowner and request his or her cooperation in taking the necessary corrective actions.
 - d. The enforcement and conflict resolution process will continue as described above.
 - e. Regardless of any other language in this document, the Facilitator may take immediate action to enforce any CC&R provision if the violation presents an immediate threat to health or safety. If the Homeowner does not immediately stop or otherwise correct the violation after being asked to, said Homeowner shall be responsible for reimbursing the Association or Newtown CDC for its costs in correcting the violation plus any fines as outlined in this document.

f. The Homeowner shall be liable for all the Association's and Newtown CDC's costs and attorney's fees involved in drafting, filing, enforcing, foreclosing and removing any lien imposed.

- xvi. **Waiver.** The waiver of or failure to enforce any breach or violation of this Declaration will not be deemed a waiver or abandonment of any provision of the Declaration or a waiver of the right to enforce any subsequent breach or violation of the Declaration. The foregoing shall apply regardless of whether any Person affected by the Declaration (or having the right to enforce the Declaration) has or had knowledge of the breach or violation.
- xvii. **Interpretation of the Covenants.** Except for judicial construction, the Association, by its Board, shall have the exclusive right to construe and interpret the provisions of the Project Documents. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions of the Project Documents shall be final, conclusive, and binding as to all Persons and property benefited or bound by the Project Documents.

15. Declarant's Exemption.

- A. Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents, of structures, Improvements or signs necessary or convenient to the development or sale of Lots within the Project and, in connection therewith, Declarant shall have the right and authority to permit and authorize Builder to construct and install temporary signage which is necessary or convenient to the development and sale of any Lots within the Project.

16. **Severability.** Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

17. **Responsibility for Others.** Owners hereby acknowledge and agree that they are fully responsible for the actions and inactions of the Owner's family, Residents, guests, licensees, invitees, tenants, and pets. If an Owner's family, Resident, guest, licensee, invitee, tenant, or pet commits a violation of this Declaration, the Owner will be responsible in the same manner as if the Owner had committed such violation.
